Issue no 005 | 07 April 2019

Message from the TFF President Wallace Karia

I am filled with gratitude and truly humbled to be sharing my thoughts with you once again in our weekly Newsletter.

Again, it has been a wonderful week for our country, after witnessing the national Under-17 football team, Serengeti Boys lifting a trophy at the just ended Invitational tournament in Kigali, Rwanda.

It was not an easy task for Serengeti Boys to emerge winners basing on the kind of opponents our boys faced in the tournament, which included hosts Rwanda Junior Wasps and Cameroon.

I am generally happy with the level of commitment shown by the players and the technical bench. Our players have showed that they can fight and win big.

This latest victory for our boys, will add to the already myriads of achievements that our teams has recorded in the recent past. The victory will give our boys much needed confidence going into the Under-17 Africa Cup of Nations (AFCON) finals that the country will host from April 14th to 28th this year.

It is pleasing to see the spirit in the camp scaling to the ceiling high as we move closer to the AFCON finals kick off. I'm confident that this crop of players will excel and book a ticket into the World Cup in Brazil.

TFF has confidence in the technical bench and we believe that they will work out on the weaknesses that emerged during the tournament and that they have to tighten things up before the tournament kicks off. We still call on Tanzanians to continue supporting their teams at all levels, taking into consideration that the country will soon be hosting the Under-17 AFCON finals. Our women national team, Twiga Stars is also facing a crucial match against Congo DR in the Africa Cup of Nations qualifiers and they need support from Wananchi.

The support that came from all angles of the country, when the national senior team, Taifa Stars played against Uganda Cranes in the Africa Cup of Nations (AFCON) qualifiers group L match.

Stars re-wrote history after they defeated Uganda Cranes 3-0 at the National Stadium in Dar es Salaam on March 24, 2019 and booked a place into the AFCON finals after a 39-year hiatus.

I'm confident that if we join our hands together and support our teams, they will certainly go places.

All the best and good luck.

Kevin John confident of Serengeti Boys chances

RCL match officials challenged to observe fairness

Chairman of the Competition Committee of the Tanzania Football Federation (TFF), Ahmed Mgoyi, has called on referees in charge of the Regional League Championship (RCL) to observe fairness.

Mgoyi said at this point when the RCL reaches crucial stage, it was important for referees and supervisors of the centres where the league is taking place to observe rules and regulations governing football. He also lauded the officials for a good job they are doing.

The league that involves a total of 28 teams from all Mainland regions kicked off at four different centres from March 27th to April 11th this year. The centres include Bariadi Council ground in Simiyu region, which host group A teams. Azimio ground in Katavi region which host group B, while Songwe host group C. Mgambo ground in Mtwara region host group D.

Top two teams in each group will qualify into the best eight in a centre to be announced later by the Tanzania Football Federation (TFF). The best eight-stage will also be divided into two groups of four teams each, in which top two teams in each group will progress to the semifinals and later final. The final stage will be held from April 30th to May 10th this year
