Issue no 006 | May 6 2019

Message From TFF President

I once again like to take this opportunity to thank almighty God for having graced us another chance to share ideas with football stakeholders in our weekly Newsletter.

I' am filled with gratitude and truly humbled to be sharing my thoughts with you once again and I'm grateful for your support before, during and even after the country played host to the 2019 under-17 Africa Cup of Nations (AFCON) finals. It was the first time ever, the tournament of such magnitude was hosted in the country.

Special appreciation is directed towards the fifth phase government under His Excellency President John Magufuli, for sully supporting the tournament.

TFF sincerely appreciates the government's efficient and gracious support and loyalty that made the tournament a success.

We could not made this without the government's commitment, in which through its various organs including the Ministry of Information, Culture, Arts and Sports, Police Force, Muhimbili National Hospital, (MNH), Ministry of Foreign Affairs, Ministry of Natural Recourses and Tourism and Immigration Department for worked hand to hand with the federation in hosting a successful finals.

TFF also wants to extend sincere gratitude towards other stakeholders including individuals, private companies and institutions whose support helped us to stage memorable finals. The Local Organising Committee (LOC) cannot be sidelined from the success we have attained, they did a commendable job.

It was not an easy task to organise a tournament of such magnitude but we braved ourselves and showed to the rest of the World that Tanzania is capable of staging big tournaments in the continent. We understand that there were some few challenges which emerged but this is a learning process because it was our first time to host such a big tournament.

I also like to take this opportunity to remind fellow Tanzanians that the dismal show that our team, Serengeti Boys should not discourage us because it is part of the game. We should now pick our pieces and focus ahead by making sure that we continue supporting the young boys for the future tournaments.

TFF once again request all Tanzanians to join efforts and support the national senior team, Taifa Stars as we prepare to travel to Egypt for the AFCON finals next month.

All the best and good luck.
