Taifa Stars qualifies group stages emphatically

National soccer team 'Taifa Stars' cruised to the group stages to qualify for the Qatar World Cup 2022 with a resounding 3-0 post match penalties.

It wasn't an easy game in 90 minutes especially with the game having finished 1-1 whereby Stars goal was scored by skipper Mbwana Samatta while Abdul Fiston equalized for Burundi.

Despite the additional 30 minutes of extra time, still no team could find a goal. Stars had to wait for penalties to make sure they qualify to the group stages.

Experience, boldness and quality exhibited throughout the entire spot kicks by Tanzania goalkeeper Juma Kaseja was the main difference to restore pride and happiness to Tanzanians who were closely monitoring the game.

Stars now joins other 13 teams who won the preliminary qualifying round will join the initial 26 nations by virtue of a better ranking in African soccer to make a total number of 40 teams to vie for the respective group stages.

Kaseja: Old is gold

Due to his experience and quality in stopping penalties, most Tanzanians had confidence Juma Kaseja will make them happy and that is exactly what he did when the match had to be decided on penalties.

"First of all I thank God for our unity and the fighting spirit demonstrated by people within and outside the pitch, as a country it was a dream to play in the group stages, as a goal-keeper my job is to prevent an opponent from scoring and also my fellow players I congratulate them for scoring," said Kaseja after the match.

Kaseja did not disappoint Tanzanians after saving one penalty while the other two were wasted by the Burundians.

Tanzania Football Federation (TFF) thanks Tanzanians for turning up in large numbers during the match pitting Taifa Stars against Burundi played on September 8 this year at the National Stadium in Dar es Salaam.

TFF Secretary General Kidao Wilfred while speaking to the press flanked by Taifa Stars Mobilization Committee and Journalist Committee, said the patriotism demonstrated by Tanzanians during the match against Burundi was top class.

“We as TFF convey our special gratitude to Tanzanians who turned up at the stadium and those following the match on television as well as thank Haji Manara through their mobilization committee and journalists committee for the splendid job they have done before the match, indeed we are honoured with the patriotism shown by Tanzanians and I ask you to do so in many more matches to come bearing in mind we have another important game against Sudan to qualify for CHAN,” he said.

On his part, the member of Taifa Stars Mobilization Committee, Haji Manara said:

“I’m grateful to what was demonstrated by Tanzanians during the match against Burundi and it is something that carried the required patriotism, there was a time during the 30 minutes extra time I witnessed a huge cheering in the entire stadium and we want to shift our focus to Sudan, and I will ensure the promotion I make will even be greater than that against Burundi.”

Pascal Kabombe, member of the journalists committee also thanked Tanzanians for their unity and standing together since the first game against Burundi until the return leg match. “Tanzanians from regions nearby Burundi including Ngara, Kigoma and Kagera, travelled to the neighboring country to give Taifa Stars support, indeed this is something commendable. Now our focus is on the forthcoming game and I would also like to emphasis to fellow journalists that our committee is open to them since our objective is to see our national teams perform well.”
